**ANALYSIS / ADDITIONAL INFORMATION:** A component of this project will be Austin Public Health’s representation on a governance committee with other end-payors and project stakeholders to evaluate progress, address barriers to success, and negotiate any changes necessary to serve the interests of program participants, project stakeholders and the City. The \$6 million in City funding for this five-year project is helping to leverage over \$11 million in funding from other community partners, foundations, and grants from non-profits and the federal government.
